

The Knights Round Table

The LSE Sports Booster Club offers recognition to those individuals and businesses that contribute to our student athletes through the Booster Club, at a high level. We have established The Knights Round Table for this category of contributors to signify the importance of their gift.

The funds received from other sources are no longer adequate to meet the growing needs of our Athletic programs. Through these contributions the Athletic department can continue to provide the necessary equipment and resources required to compete at the highest levels in the state.

The Knights Round Table contributors will be recognized with their name engraved on a plaque displayed in the Prash Activity Center for each year a gift is received. Your name will also appear in the LSE athletic program.

First Knight – gifts of \$250 to \$499

Gold & Ebony – gifts of \$500 to \$999

Premier Booster – gifts of \$1000 and above
